### International Internships and Projects for Students and Faculty

---

INREGU, France and Ureka Education, UK are two different entities under the [same management](#) led by a French professor. They specialise in the following areas of education:

- a. Research and Professional Development
- b. Outside-the-Classroom Learning Experiences
- c. Internationalisation Services

Together we offer three variants of **International Internships** in addition to the **International Student Exchange, Global Immersion and Faculty Programs**.

Having offices in Oxford, Lyon and Dubai, a Research Institute in France, a Social Entrepreneurship Centre in India and with our country representatives in US, Croatia, Greece and Malaysia we offer a truly global outreach.

The list of our programs are as follows:

#### International Internships & Projects

(in the order of costs, lowest first):

1. **One Month Certified International Project with Austrian MNC** - this is run in India and is aimed to provide an [international perspective](#) and [three international certificates](#) to students who find it difficult to afford travelling abroad. Special attraction - best project wins [100% Scholarship for Internship Abroad](#). Priced at Rs 10,000 per student, there are [substantial discounts on group signups](#).
2. **Two Weeks Certified International Internship in Dubai** with Austrian MNC - this is run partially in India and partially in [Dubai](#). Special attraction - session and networking with [Director, Amazon](#). It is priced at Rs 59,500 per student all inclusive.
3. **Four - Six Weeks Internship in France**, [next intake in June 2020](#). Special attraction - sessions and networking with [Managing Director, Citibank](#). The total cost for airfare, boarding, lodging etc comes to about Rs 195,000 per student.
